## UNIVERSAL ORDER OF JAH RASTAFARIAN HEALING CENTER

Greeting in the name of His Imperial Majesty Emperor Haile Selassie I, whom I live in the name of Jah Rastafa'r I.

I come to the I with a humble spirit and peace and love and righteousness to all of Jah, Jah people. I am writing on behalf of the Universal Order of Jah Rastafarian Healing Center, here at Angola State Prison.

INI is a small and new religious body here and I am interested in any books, tapes, DVDs, or study material pertaining to I live that the I may have. To further I understanding and become the Kingman that Jah want I to be. As of right now, I is trying to raise funds to purchase the above items.

And if possible, could the I send a price list of the items the I sale. If the I is able to send any material as a donation, whether it be new or used, it would be of help to our cause.

INI is very much interested in finding a spiritual advisor or group that's willing to come in and teach and help build this Rasta community here. I isn't allowed Internet access so I communication is very limited to the outside world.

If the I isn't able to be of assistance to I, would the I please forward I request to someone that may be able to help. I want to say thanks the I for your time and assistance.

PS. Whatever the I might send, it must be sent to the Chaplain Department in care of Universal Order of Jah Rastafarian Healing Center, to Michael Birklett #401459, Falcon - 1, at Camp D.

Also please send I a letter to let I know what was sent. May Jah Bless.

Heartical
